Roles & Responsibilities of IQAC

Quality Enhancement Planning

- Develop strategies for academic and administrative quality improvement.
- Prepare the Annual Quality Report (AQAR).
- Promote a culture of excellence in teaching, learning and research.
- Ensure compliance with NAAC and UGC guidelines.

Documentation & Reporting

- Maintain record of meetings, plans, and academic audits.
- Prepare reports for NAAC and management review.
- Document institutional achievements and quality initiative.
- Provide guidance for accreditation and ranking processes.

Faculty & Students Engagement

- Encourage faculty development program and research activities.
- Promote student participation in quality initiatives.
- Collect feedback from students, faculty, and stakeholders.
- Ensure a collaborative environment for continuous improvements.

Monitoring & Evaluation

- Monitor academic and administrative processes.
- Evaluate the effectiveness of institutional practices.
- Recommend improvements and best practices.
- Ensure continuous quality enhancement.
